

Fold along  
this solid line

1. Color in as desired before cutting out.
2. Copy in color on card stock if you want to make additional ornaments from one colored version!
3. Cut Gingerbread house and two roof sections out on solid lines, reserving instructions.
4. Fold house on dotted lines, folding all tabs and house portions with wrong sides (inside of paper) together.
5. Place glue on Tabs 1, 2, 3 and 4, gluing Tabs 1, 2 and 3 to inside of floor piece, and Tab 4 to inside of house piece.

Hanger  
tab

7. Fold roof sections on solid lines indicated
8. Glue top of roof pieces together along chimney area above the fold, leaving the rest of the roof unglued.
9. Place glue on top of Tabs 5, 6, 7 and 8. Place roof on top of tabs so that tabs are glued to the underside of the roof.
10. Embellish with rhinestones, sequins and glitter as desired.
