

Fold along this solid line

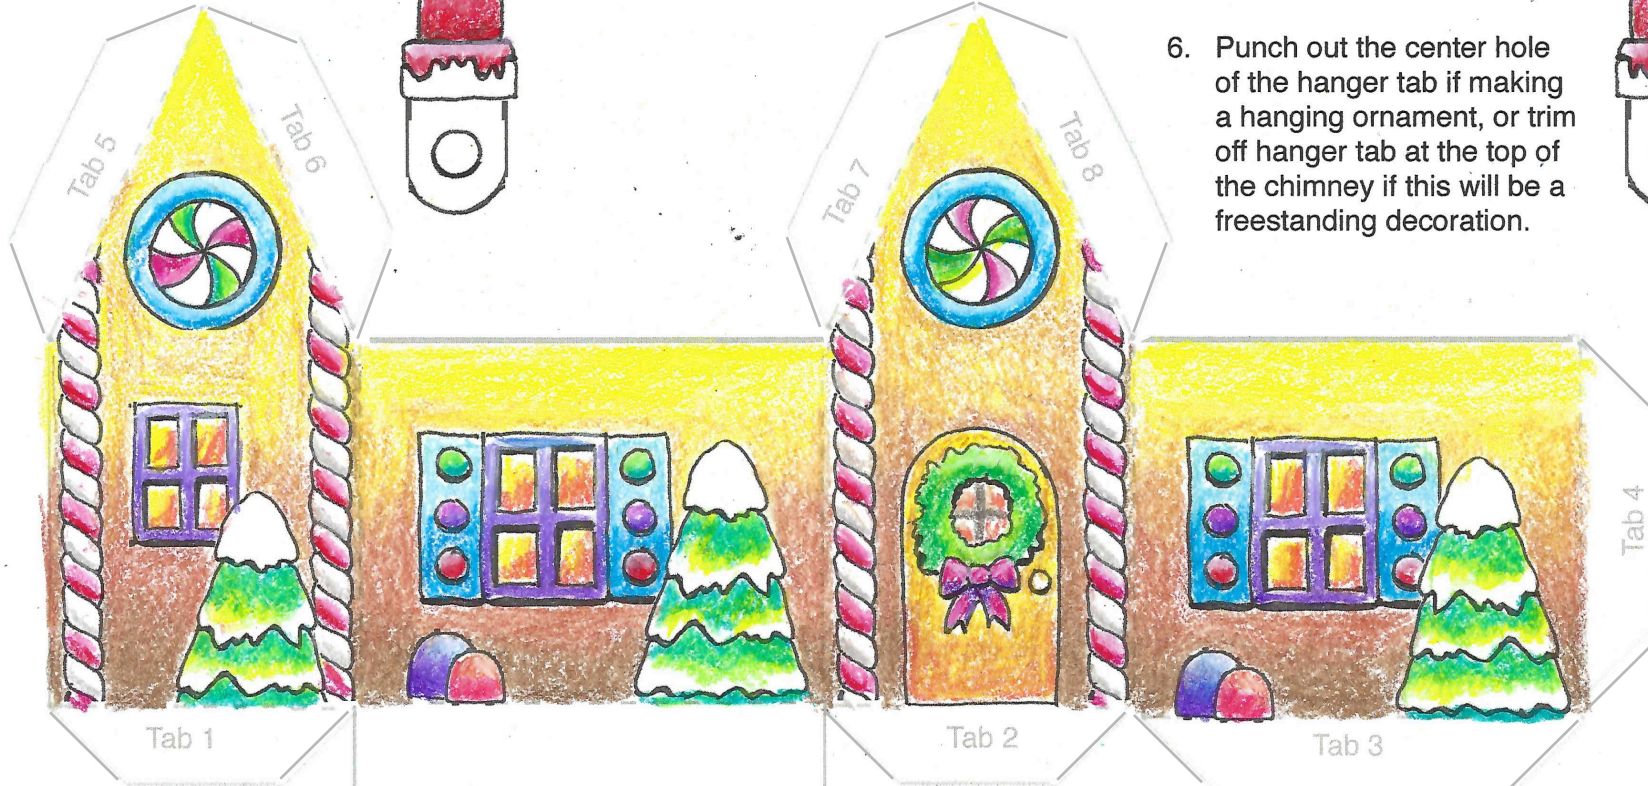

1. This is a pre-colored version.
2. Copy in color on card stock.
3. Cut Gingerbread house and two roof sections out on solid lines, reserving instructions.
4. Fold house on dotted lines, folding all tabs and house portions with wrong sides (inside of paper) together.
5. Place glue on Tabs 1, 2, 3 and 4, gluing Tabs 1, 2 and 3 to inside of floor piece, and Tab 4 to inside of house piece.

Fold along this solid line

Hanger tab

6. Punch out the center hole of the hanger tab if making a hanging ornament, or trim off hanger tab at the top of the chimney if this will be a freestanding decoration.

7. Fold roof sections on solid lines indicated
8. Glue top of roof pieces together along chimney area above the fold, leaving the rest of the roof unglued.
9. Place glue on top of Tabs 5, 6, 7 and 8. Place roof on top of tabs so that tabs are glued to the underside of the roof.
10. Embellish with rhinestones, sequins and glitter as desired.

Gingerbread House Ornament
