Preparation:
Print on card stock (non-shiny, "vellum" finish is best.)

Instructions:
1. Color as desired
2. Cut out ornament on outside perimeter. (Reserve larger scraps of card stock for testing colors.)
3. Fold, printed sides together, on all lines. A metal straight edge or ruler may be helpful.
4. Refold all folds in opposite direction.
5. Hold ornament with folds in place to make sure all edges and tabs match up, if not, refold or recut.
6. Add ribbon or tassel if desired.
7. Glue tabs to construct ornament.
